

Low Port Primary School

School Improvement Plan 2026-27

Theme One

Health and Wellbeing (HWB)

Make sure every child feels included, respected and supported by listening to their voice, promoting children's rights and using what we know about their learning and wellbeing to help them achieve their best.

Theme Two

Learning, Teaching and Assessment

Help children and families better understand what is being learned, how children are progressing and what they need to do next.

Theme Three

Curriculum

Providing relevant, meaningful learning opportunities through outdoor learning, play, digital learning and anti-racist approaches, while continuing to develop staff expertise and confidence in understanding the refreshed curriculum.

Theme Four

Equity

Develop consistent, engaging and inclusive learning experiences that provide the right support and challenge for every child.
